Staff/Contractor Bios, 2019

ALYSSA LINDMAN serves as our Lands Manager, and is a previous Board Director and Back-up Guide. Alyssa is also currently serving on the Yuba County Planning Commission for District 1. Alyssa graduated UC Davis with a B.S. in Landscape Architecture and minor in Landscape Restoration. Since graduating she has worked in the field of landscape architecture designing everything from public and residential landscapes to creek restoration and mitigation projects. Alyssa has also worked as on-site supervisor for several mitigation and restoration projects, which included project construction oversight, invertebrate and hydromonitoring, as well as land surveys. In her free time, Alyssa enjoys hiking, camping, kayaking, art, and family.

KIM MANSFIELD serves as Administrative Manager for SBRLT. She has worked for SBRLT for 5 years and during that time, she has assisted with implementing and maintaining the new website, designing several key pieces of marketing materials, procuring donated items for fundraiser auctions, assisting with organizing the anniversary event and maintaining membership.
